

Pamela H. Vines

Communicator, Author, Producer

Pamela H. Vines is founder and president of Troop Public Relations, LLC. TroopPR is a full-service communications firm that specializes in reputation protection training and video production services. A retired Army Lieutenant Colonel and an experienced communications professional, Vines is passionate about guiding companies and individuals through their urgent communications challenges. She's also passionate about storytelling. Whether it's helping clients build relationships through traditional or new media; helping clients tell their stories through film and video, or preparing for a media interview, Pamela's company can help. Call today!
